COMPANY PROFILE

ABOUT US :-

We are pleased to introduce BEST SPORTS WEARS as one of the leading manufacturers and Exporters of Sports Goods and Sports Wear incorporated in Sports City Sialkot Pakistan. We are in this business since 1981. We have vast experience in this field. We use the best quality leather and other raw materials in the manufacturing of our products. Our main goals are to supply high-quality products within the aggregated time framework for our clients. Due to our strongly committed professionalism and specialization of our expertise our prices are very competitive. We wish to do the right things in the very right way at the right time so that our products confirm by our customer's satisfaction.

We are too much committed to our customer's satisfaction to provide them quality products at a reasonable price. We are mainly dealing in manufacturing and export of all sort of Sportswear, Fitness wear, Safetywear, Boxing Equipment, MMA Gear and other accessories. BEST SPORTS WEARS produces skilled labor in the manufacturing of our products, totally avoiding child labor. BEST SPORTS WEARS always use the latest polyurethane material mounted on the pre-scratched leather coupled with textile Polly cotton and polyester lamination applied with natural leather glue bearing self-curing and anti-fungus chemicals fulfilling extra hygienic requisites.

We represent quality, reliability, and durability in whatever products we supply. Our sporting goods conform to the highest international standard. We recognize our duty toward the society that we are part of. We are an active member of the Sialkot Chamber of Commerce and other NGO's towards the prevention of child labor and their rehabilitation in the soccer ball industry.
